

MD SALMAN GOUS QADRI

FullStack Developer

salmanjmu13@gmail.com | 9693599284 | New Chandigarh 140109 | <https://github.com/mdsalmangousqadri13>

SUMMARY

Full Stack Developer with a B.Tech in Computer Science from Indo Global College and 3 months of internship experience at Ipage UM Services. Skilled in building web applications using React, Node.js, Express.js, and MongoDB. Experienced in REST API development, API integration, and AWS Lambda. Passionate about building scalable and user-friendly web applications.

INTERNSHIP EXPERIENCE

Full Stack Developer Intern

Oct 2025 - Jan 2026

IPage UM Service | 3 Months

- Developed and maintained frontend components using React.js.
- Integrated REST APIs and worked with backend services using Node.js and Express.js.
- Worked with AWS Lambda functions and API integration.
- collaborated with team members in a real development environment.

PROJECT

Tapaal System

Technologies: React.js, Node.js, Express.js, AWS Lambda

- Built a full-stack public grievance system where citizens submit petitions and officials manage issue resolution.
- Implemented a role-based workflow for authorities like Collector, Tehsildar, DRO, Clerk, and VRO to process petition.
- Added real-time tracking, dashboard analytics, and PDF reporting to improve transparency and efficiency.
